[http://www.msport.ee/wp-content/uploads/2014/03/EMF\\_Endurosprindi\\_reeglid\\_2015.pdf](http://www.msport.ee/wp-content/uploads/2014/03/EMF_Endurosprindi_reeglid_2015.pdf)

[http://www.lamsf.lv/files/nolikumi/enduro/enduro\\_sprints/2015/Enduro\\_Sprint\\_Regulations\\_Baltic\\_Latvia\\_2015\\_v4PS.pdf](http://www.lamsf.lv/files/nolikumi/enduro/enduro_sprints/2015/Enduro_Sprint_Regulations_Baltic_Latvia_2015_v4PS.pdf)

Riders in classes 1, 2, 3, 4, 6 must complete 4 laps. Riders in classes 5, 7, 8, 9 must complete 3 laps.

The race is held in a closed area. There is no time registration at special tests on the first lap.

Competition is held individually. Riders must have the license of National Motorcycling Federation. Otherwise it is possible to obtain a one-time license (25€) from the secretariat before the start of the competition on the day of the race.

**Participation fee:** Each rider must pay 35 EUR participation fee at the registration. Additional 10 EUR will be added to the participation fee for the competitors who have not pre-registered

**Starting numbers:** Starting numbers are in accordance with Baltic Enduro and Endurosprint table of numbers. Other starting numbers will be provided according to preregistration list. It is the responsibility of racers to have proper numbers.

**Track:** The length of the lap is 28 km and it has 2 Enduro tests (roughly 6km ja 2 km), 1 time control (TCP) and 2 control points (CP). The track is marked according to Endurosprint Estonian Cup regulations.

**Tests:** The location of special tests will be announced at least 24 hours before start at the notice board in Start/Finish area. The track of tests is marked by tape on both sides of the track and/or signs. The start to special tests is given by the flag.

**Fueling:** Fueling is permitted only in start/finish control point. It is mandatory to use carpet during repairs and while filling tank

**VII Awarding:** The top three of each class are awarded with Cups.

#### **VIII Useful information:**

On the week before the race the track will be closed for training starting from 19th of May.

Track is open for trainings on the following day after the race on 24th of May.
